

Our Advantage

Experience the Essence and Advantage of Leading Edge Quality Fiberglass Pools & Spas

See for yourself why Leading Edge builds the strongest structural fiberglass products in the Industry!

Why is Leading Edge considered by many to be the Leader of the next generation Fiberglass Pools and Spas? It starts with our Research and Development department, spending countless hours researching and developing new products, safety features, options and testing the latest fiberglass pool and spa materials available on the market.

We pride ourselves on working directly with our Manufacturing Partners to develop our specifically formulated Leading Edge Premium grade Gel-Coats, Marine grade Polyester Resins, Vinyl Ester Barrier coats, High Definition Starlight colors and our Corrosion Resistant Fiberglass resins.

Once we have developed and tested our products we then engineer our designs to specifically withstand today's harshest weather climates and vast array of ground and soil conditions ensuring that our Leading Edge products are the strongest structurally built Fiberglass Pools and spas available on the market.

All Leading Edge products are manufactured within an enclosed environment ensuring our Dealers and Customers that every inch of our products are thoroughly inspected and go through the highest quality control standards in the Industry. Our manufacturing Process has been designed and developed using today's latest technology and years of experience. We do not believe in using inferior products or materials that are not conducive to manufacturing the highest quality products available.

Leading Edge not only manufactures inground fiberglass pools, Spas, Swim Shapers and Tanning Ledges but we also install our own Products. We have been installing Fiberglass pools and spas for over 25 yrs. giving us the experience and knowledge that other Pool manufactures don't possess.

Due to our vast knowledge of Fiberglass and years of Installation experience, we are able to design and build our Leading Edge products to be more compatible with the installation process. Allowing us to build and design Superior Fiberglass Pools and Spas. Thus giving you, our valued customer, the LEADING EDGE Advantage over our competitors.

Leading Edge stands 100% behind the quality of our products and offers the industry's most comprehensive Lifetime Warranty available.

We dare you to compare, SPLASH into a Leading Edge POOL or SPA, Today.
