

# Traverse Bay

Color shown: *North Shore*

If the “wow-factor” is what you’re after, then the Traverse Bay is the perfect pool for you and your family. The features of this beautiful, free-form, fiberglass pool are simply too numerous to list. Take a look at what this stunning pool has to offer your family and see for yourself why the Traverse Bay is one of the top sellers in the Leading Edge line-up. Traverse Bay offers the following:

- ◆ Convenient and comfortable bench seating on both sides, two in the shallow-end and one in the deep-end.
- ◆ Very desirable and visually appealing, free-form design with an attractive curvaceous shape to not only compliment, but accent any home and back yard.
- ◆ Generous and spacious dimensions including a 16'x36' size, 3'5"-5'9" depth and a capacity of 18,000 gallons, that's sure to impress!
