

# Crystal Bay

Color shown: Blue Surf

It is possible to have it all... all in one beautiful package with the Crystal Bay. This fabulous, fiberglass, free-form style pool has to be both seen and experienced to fully appreciate. The Crystal Bay is known for its attractive, curvy, unmistakable, kidney-shaped design. The Crystal Bay is a lavishly designed pool, with its luxurious, opulent layout and gorgeous rounded edges. It offers your loved ones plenty of room and time for some relaxation and fun in the sun. Here are a few other characteristics and key features of this beautiful addition to the Leading Edge family of pools:

- ◆ Stunning and unique "kidney" shape design that is sure to impress
- ◆ Side-mounted stairs for added comfort and convenience
- ◆ Generous dimensions consisting of a 16'x31" surface area, ample depth range of 3'6"-7' and spacious capacity of approximately 15,000 gallons
