

Traverse Bay

- ◆ Convenient and comfortable bench seating on both sides, two in the shallow-end and one in the deep-end.
- ◆ Very desirable and visually appealing, free-form design with an attractive curvaceous shape to not only compliment, but accent any home and back yard.
- ◆ Generous and spacious dimensions including a 16'x36' size, 3'5" -5'9" depth and a capacity of 18,000 gallons, that's sure to impress!
