

The Bronzer

Interested in adding a tanning ledge to your beautiful new Leading Edge pool? Look no further than the breathtaking Bronzer. This eye-catching and attractive tanning ledge is sure to be the perfect addition to your backyard and brand new Leading Edge fiberglass pool. With its curvaceous, free-form shape and its generous, yet modest, 14" depth, the Bronzer is as safe and fun as it is gorgeous. Due to the Bronzer's intentional and strategic scaled-down size and depth, it offers hours of carefree fun in the sun for the whole family, as it is perfect for families with small children. Because of its smaller size, the Bronzer equally caters to the "soak up the sun" types as well. In addition to its compact size and depth, this unique tanning ledge offers an array of additional customizable options and features.

- ◆ Spillover water feature (up to two)
- ◆ Custom tile design and style
- ◆ Fun, beautiful and relaxing "bubbler" feature
- ◆ Comes in 6 eye catching colors including Deep Water Blue, Blue Surf, Marina Blue, North Shore, Summer Breeze or Standard White

...all of which, give you the safety, versatility and beauty that you and your family deserves!
